SHORTS SHRIFT: Kristen and love Stella in lezza kit

By SEB WATSON
news@sundaysport.co.uk

THESE are the perfect nips that *Twilight* celebrity lesbian Kristen Stewart gets to fiddle with every night.

Stunning Brit supermodel Stella Maxwell, 27, posed for this sizzling shoot for Eyetie mag *Issue*.

On one shot, her stiff little nipple is visible through her sheer top, while another photo gives us a clear look at her peachy trumper.

Stella was spotted out with 28-year-old girlfriend Kristen in Hollwood last week – both were wearing saucy little lesbian shorts.

An onlooker said: "I'd give a kidney to see them covered in each other's hot batter."

# HOLLY'S CARROT-UP-BUM SHOCKER

**TV PRESENTER Holly Willoughby has sensationally ruled out EVER shoving a CARROT up her BOTTOM.**

Holly, 37, was playing a game on outrageous comedy show *Celebrity Juice* when she point blank refused to ever put a phallic-shaped vegetable up her shitter.

Host of the ITV2 show, Keith Lemon, 44, asked Holly what three things she would never "put up her anus".

By BECCA STUBBS
becca@sundaysport.co.uk

Hitting back, Holly replied: "Your knob, a butt plug and a carrot."

The blonde beauty was sat on a spinning chair for the X-rated quiz where she was quizzed about her bum fun habits.

She was also asked which three things she enjoyed putting in her mouth but kept things clean when she primly answered 'chocolate, fruit and wine'.

Also on the show on Thursday night was singer Ella Eyre, 24, Bez, 53, from the Happy Mondays and *Hollyoaks* actor Gary Lucy, 36.

However, Holly stole the show with the crude game and had the audience in fits of laughter with her quick replies.

# MEET KEN DOG!

## Pet is possessed by dead comedian

**NEVER mind "Ken Dodd's dad's dog's dead" – how about "Dead Ken Dodd's in my dog!"**

That's the claim of unemployed tiler Jeff Rose.

Jeff, from Knotty Ash – the Liverpool district made famous by the late buck-toothed funnyman – says the spirit of Ken has POSSESSED his pet pooch Tarbuck!

Jeff, 34, said: "I was gutted when Ken Dodd died. He was, without doubt, the funniest man to come out of Liverpool – apart from Tom O'Connor.

"But he'd had a good innings, so I tried to get on with life.

"That's when I noticed Tarbuck acting strange."

Jeff said his six-year-old hound:

- PICKED up a feather duster and started using it like one of Ken's famed "tickling sticks",
- BARKED the words "how tickled I am",
- ATE a pile of old tax paperwork.

Jeff said: "I had my suspicions Doddy had possessed my dog when Tarbuck chewed up my old P60s – we all know Doddy was no fan of the taxman."

By SIMON DEAN
simon@sundaysport.co.uk

In 1989 Dodd was acquitted of tax evasion following a trial.

But there was more.

Jeff shuddered: "One morning I saw Tarbuck had grown Ken Dodd's TEETH!

"This was all the proof I needed. The ghost of Ken Dodd's in my dog."

Now Jeff's hoping to put his possessed pooch on *Britain's Got Talent*.

He said: "Cowell will lap up shit like this."

## Face of Man City boss found in tinned treat

TEATIME WINNER: Pep's face can clearly be seen in the sauce

GOAL-DEN MOMENT: Keith's regained faith

**AFTER a season strutting around feeling Cock Of the North as his Manchester City rode the crest of a wave, the past few days have been tough for Keith Lincoln.**

Three high-profile defeats left the true Blue feeling like the stuffing had been knocked out of him.

But then came a miracle – as the face of his beloved team's boss Pep Guardiola appeared in his teatime plate of ravioli!

By SEB WATSON
news@sundaysport.co.uk

Warehouseman Keith, 45, from the Fallowfield area of Manchester, said: "It was like all my despair cleared and I saw the light. I had faith again in the club, the manager and the team!"

### Pride

A terrible week for City was rounded off as they crashed out of the Champions League at the hands of Liverpool on Tuesday.

Their first-leg defeat at Anfield previous week was followed by surrendering a half-time lead in the Manchester derby to lose 3-2 to neighbours United.

Keith said: "I imagine I thought City and Pep Guardiola could do no wrong after the season we've had. But as they say, pride comes before a fall. United and Liverpool provided that fall.

"I started having black thoughts about us not winning the title after all. But then my wife Julia made me my tea. Ravioli – my favourite. And then, halfway through, I saw Pep's face in the tomato sauce.

"And it was all alright again!"

A source close to ITV said: "She is TV gold – she appeals to everyone, young and old. But there is a fight on for her.

"There is going to be a bidding war – an expensive one."

Scarlett is believed to be worth £2million after finding fame on Channel 4's *Gogglebox* before she won *I'm A Celebrity*... in 2016.

# Trump: I wanna launch nukes on my iPhone

**JUST AS MAD: Vladimir Putin backs Syria in latest conflict**

**RING THE CHANGES: Trump can start WWII in a swipe**

By BRAD CHADWICK news@sundaysport.co.uk

**THE world moved a step closer to Armageddon last night when it emerged President Trump has an APP for launching his nation's nuclear missiles...on his iPhone!**

Traditionally, the launch codes – the so-called "nuclear football – is carried everywhere the President goes by a dedicated Secret Service officer.

But Trump decided the method was "outdated and cumbersome" and ordered White House tech boffins to devise an app for his iPhone which could allow him to start World War III at the swipe of a finger.

### Arsenal

A White House source said: "The President is very fond of his iPhone, which he uses to send his increasingly deranged tweets at all hours.

"When he asked if he could have an app to launch the nuclear arsenal we told him, 'But Mr President, you can't! It's not secure'.

"He insisted that he has fingerprint technology on his phone but still the generals said no. Eventually, the President said, 'I'm the goddamned Commander-in-Chief, just do it!'

"He got his app. It's f**king terrifying."

Experts reckon that the world is now a matter of days away from full scale nuclear war due to rising tensions between the West and Russia over the Salisbury poisoning and Syria. Russia's Vladimir Putin backs the regime of Syria's President Assad, which was last week accused of using chemical weapons against civilians in Douma.

President Putin has warned President Trump of "severe consequences" if the West attacks Syria in retaliation for the gassing incident.

# NUKE WINTER FEARS SPARK JAZZ MAG PANIC-BUYING

**MUSN'T GRUMBLE: 'Analogue porno' is flying off shelves**

FEARS of an imminent nuclear war have not just sparked panic-buying of bottled water and tins of beans – there's also been a run on PORN MAGS!

With tension rising over Syria, and the U.S. and Russia poised to lob atom bombs, millions are getting ready for Armageddon.

And as well as the vitals for life, those sheltering from the nuclear holocaust and subsequent nuclear winter will also need some grumble mags.

And that's good news for newsagents who are now shifting thousands of copies of *Razzle* and *Penthouse* as grot fans rush to amass a post-apocalyptic porn stash.

Dr Tom Kent, war studies lecturer at the University of West Lancashire, said: "One of the first things that Vladimir Putin will do at the outbreak of war is bomb the internet.

"That means no internet porn. After a nuclear war, survivors will need to stay in their shelters for at least two years. The idea of having no porn is unthinkable.

"Hence, the clever money is on so-called analogue porn – that's twat mags."

# THE VOICE OF YOUR BRITAIN

## Women's lusts are price we've paid for vote

**THIS year we celebrate the centenary of women getting the vote.**

And what a century it has been for the progress of the female of our species.

In the past 100 years, women have been taught how to drive motor cars, do advanced mathematics, serve as Prime Minister, form "girl groups" and even pilot fighter jets.

But let us not get too carried away.

And let us not fool ourselves that these advances have not come at a cost.

We see that cost in the unlovely shape of Mrs Fiona Jenkins.

Despite making vows of fidelity at the altar with her unfortunate husband Kevin, Fiona has no fewer than TEN lovers.

She also mocked the sanctity of the marriage ceremony – and mocked God Almighty Himself – by taking THREE lovers on her wedding night.

Now, we may blame Kevin for allowing his wife's waywardness.

But the fact remains that the "emancipation" of women, in too many cases, has conferred on the feebler-minded members of the gentle sex nothing more than a licence for wantonness.

**Yes, Mrs Jenkins and women like her may have the freedom to vote – but they have been enslaved by their own unbridled lusts.**

## We're being stripped by over-mighty state

BIT by bit, year by year, ancient liberties which our forefathers gave their lives for are being stripped away.

Take the case of Bessie Gordon, facing a prison sentence for the "crime" of strimming her garden in the altogether.

**If Bessie is prosecuted for appearing in public as the Good Lord intended, we may as well lie down and let the power of the over-mighty state trample us into the dirt.**

## Pothead pair fined for sex under bridge

**A COUPLE who had sex underneath the Tay Road Bridge in full view of passersby have appeared in court.**

**Drug-addled Frank Watt and Cheryl Johnstone refused to stop the act – which took place on a Sunday afternoon – despite being shouted at by a bridge CCTV operator while cyclists and members of the public passed close to them on November 5 last year.**

**Both Watt, 31 and Johnstone, 32, previously admitted the charge at Dundee Sheriff Court.**

**Fiscal depute Isma Mukhtar told the court a bridge CCTV operator saw Johnstone performing a sexual act on Watt for a number of minutes. He left the control room and shouted at both to stop what they were doing.**

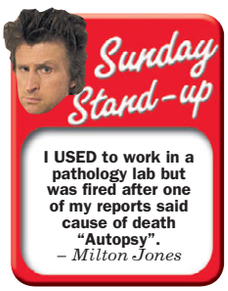
**But when he returned to the control room he saw that Johnstone had resumed performing the act on Watt.**

**The pair were then seen to pull their trousers down and have sex with each other.**

**When police arrived the pair were both pulling their clothing back up and both appeared to be under the influence of drugs.**

**Watt and Johnstone admitted taking part in an offence of public indecency, and Watt also admitted possessing cannabis resin.**

**He was fined £300 while Johnstone was fined £135.**



**I USED to work in a pathology lab but was fired after one of my reports said cause of death "Autopsy".**

## Path moved for nudists' privacy

A PUBLIC footpath running through a naturist campsite could be rerouted – to keep ramblers away from bare-arse fans.

The path cuts through Dolcoed camping site in Maesycrugiau, Carmarthenshire, but could be moved to skirt the edge of the property.

Llanllwni Community Council wants it moved "to reduce the possibility of the public coming into contact with, or sight of, the users of the campsite".

But many locals said they had no issue with the naturists.

The council report acknowledges the route "is obstructed in many places and has been disused for years".

At present, the right of way runs along a tree line adjacent to the 15 caravan pitches.

Mandy Hopkins, who lives next door to the campsite, said: "It doesn't bother me at all, I didn't know there was a pathway there."

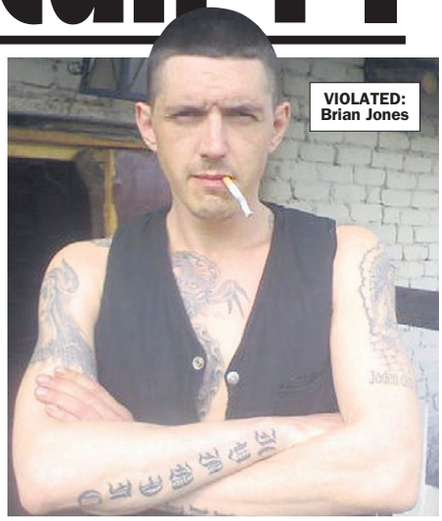
## BIKER TAKES FIGHT TO HUMAN RIGHTS COURT

By SIMON DEAN
simon@sundaysport.co.uk

**BIKER Brian Jones is furious – as he's been BANNED from joining his local Women's Institute!**



VIOLATED: Brian Jones

Now the 35-year-old scrap metal worker plans to take his case to court – claiming that his human rights have been violated by the ban.

Single Brian fumed: "It all started when these birds wanted to join our darts team.

"Don't get me wrong, I've got nothing against birds – in the right place – and I'm more than happy for them to come along to darts matches and cheer us on.

### Tits

"Especially if they get their tits out.

"But the idea of them playing darts? Well… it's just not natural."

Brian's objections were overruled when the ladies threatened to invoke equality laws to force their way onto the darts team of The Limping Goshawk pub in Huddersfield.

Brian told *Sunday Sport*: "I said to Ken, the landlord, 'You've caved in to these women. I'm never drinking in your f**king pub again'.

"He said, 'That's fine…because you're a right c**t'."

Undeterred, Brian then took another tack by applying to join his local WI – only to be rebuffed.

He raged: "I like cake, and I like pussy. The WI sounds great. So why can't I join?"

According to the WI website: "While WI membership is only open to women, men are welcome on courses at our residential adult education centre and take part in many activities, events and campaigns – both locally and nationally.

"The Women's Institute is an educational charity with a constitution that states membership is only open to women.

"Under UK law charitable organisations whose constitution stipulates single sex membership are entitled to restrict access to the opposite sex."

Last night a source at the Huddersfield and District WI said: "There is a lot more to the WI than just cake and what this man called 'pussy'."

# ELVIS IS ALIVE & WORKING AS A STREET HOOKER!

**ELVIS has left the building…and is selling his ARSE in Manchester's tough Ancoats district!**

**That's the claim made by *Sunday Sport* reader Bernard Green who said he spotted The King hustling last Wednesday afternoon.**

**Bernard, 56, said: "I was trying to find somewhere to park up, as I was going to the chippy, and I saw this bloke in undies strutting about all sexy and that.**

**"As I got closer he came up to the car window and asked, 'You looking for business, mate?'**

**"Obviously, I was left all shook up, but I was more shocked when I saw that it was Elvis Presley.**

**"He was trying to disguise himself by putting on an Oldham accent but it was definitely him."**

**Bernard added: "Elvis would be 82 now – he looked good for 82.**

**"I don't know why he was selling his arse though – you'd think he'd have plenty in the bank."**

**Officially, Elvis died on the toilet at his Graceland home in 1977.**

# SEX IN BRITAIN UNCOVERED & UNCENSORED!

AN EXCLUSIVE SERIES OF SPECIAL INVESTIGATIONS

ANYTHING GOES: Men go with women... and girls go with other girls

# 'Blowjobs without condoms is what all the guys want...and anal, they all love anal'

## LOUISA HARDACRE*, 33, FROM BRIGHTON

*NAME CHANGED FOR PRIVACY REASONS

"I'M not ashamed to say I earn a healthy pay packet – I qualified from university almost 12 years ago and I'm now the owner of my own marketing business.

"My firm has a multi-million pound turnover and I can afford to live the lifestyle I used to only dream about.

"I heard about the yacht parties through a very wealthy CEO I used to date, and I decided to give it a go back in 2015.

"Since then, I've never looked back and I go to the parties whenever my job allows it and I can find the time.

"As a single woman, I don't have to pay – but even if I had to, I would.

"I can honestly say I can't think of a better way to spend my money.

### Threesomes

"When I first started going on the yacht, I was the girl sat in the corner playing with herself while watching all these hot, sweaty threesomes take place.

"Now I'm the girl right in the middle of the room being pounded by two hard-cocked men one after the other and loving every second of it.

"I love sex and this is where I indulge my passion.

"I've licked a model's fanny while a well-known Hollywood actor has taken me hard and fast from behind.

"I've had two men caress every inch of my body before taking it in turns to shag me, to the point I could barely walk – I'd had that many orgasms my legs felt like jelly.

"On my third time on the yacht, I even let one hunky bloke pop my anal cherry – I got so horny I didn't care where his cock was as long as it was inside me!

"Orgies are commonplace and, to be brutally honest, sometimes I don't know whose cock I've sucked or whose pussy I've played with.

"I've seen things on that yacht you'd struggle to find in some of the more hardcore porn movies!

"Get a group of horny rich people together and things can get wild.

"The guys all want blowjobs without condoms and that's fine my me. I love the feeling of hot spunk exploding in my mouth.

"And, of course, the guys want anal. They love it. As I said, I'd never had it up the arse before I came on these trips.

"But now I love it. I've had a throbbing cock in my pussy and another in my bum.

"And I've come away with spunk dripping out of me. That was so wild.

"Everyone is vetted before they're allowed on board and they are all asked to sign a confidentiality agreement, which gives an added sense of security.

"I don't want my employees finding out what I do in my spare time and the organisers make sure that won't ever happen.

"The exclusivity and the privacy on board the yacht and the secrecy from the organisers makes my inhibitions quite literally float away."

NO INHIBITIONS: Louisa with a hunk at previous event

**RICH men and glamorous women on yachts with free-flowing champagne and endless amounts of SEX might sound like something straight out of a James Bond movie.**

But as I found out only last week, orgies on board multi-million pound gin palaces are a thing.

And they are a favourite hangout for some of Britain's super-rich.

For the past few weeks, *Sunday Sport* has blown the lid off the sex-crazed antics of what really happens in the UK – and this week is no different.

Organisers of the yacht parties, who we agreed not to name, allowed me complete access on board one of their secret yacht parties – on board a ship cruising between the sun-kissed islands of the Caribbean.

As the readers of this paper know all too well, I've been to plenty of X-rated parties in the past, but this one REALLY made me excited.

### Kiss

"Welcome aboard, Miss Park...please make yourself comfortable", the organiser said to me when I went aboard in Barbados, greeting me with a very forward kiss.

"You'd better get used to that – there'll be a lot naughtier things happening on board later," he joked as he gave me a tour of the luxury vessel.

"This yacht is worth around £50million – we hire it from the owner for 24 hours. That costs us £20,000.

"But we make that back, as all the male guests pay £3,000 each for a truly unforgettable

time. Ladies, of course, we don't charge."

Walking around the small ship I was amazed at the decor – it really was like a floating mansion and I'd never seen anything quite like it.

There was a main room with a giant circular sofa in the middle with plenty of sofas surrounding it, which I was sure would see plenty of sex action later.

Going back to my cabin, I got ready and slipped on the stunning designer bikini my editor had told me buy on expenses, so I'd fit in at this glamorous event.

As the punters piled on board, I did recognise a few famous faces among the wealthy guests – the sort you see in the society pages of posh magazines – and it hit me then just how exclusive this event really was.

Every girl was drop-dead gorgeous with supermodel looks and bodies that wouldn't look out of place in *Playboy*.

I was in awe and, when two girls kicked things off in the ship's main cabin by dripping champagne from each other's mouths, I knew things were really going to heat up.

They spent 20 minutes sharing the champagne in between kissing each other and groping each other's enhanced assets.

Pretty soon, they were joined by two men who peeled off the girls' dresses – they were clearly ready for action as they weren't wearing any panties.

## Probing

The girls then began pouring champagne over each other's bare boobs, sucking and licking it off each other's hardened nipples while the men began plunging their probing fingers inside the girls' wet holes.

It was a sight to behold as these four gorgeous people became entwined in a sea of limbs and lust.

When the men thrust their stiff cocks into the women in perfect unison, I very nearly exploded myself.

I looked around and saw everyone was watching the sex show open-mouthed. Then I caught the eye of a hunky fella who was clearly enjoying the orgy as much as me, judging by the tent in his pants!

Feeling brazen and given confidence by the champagne, I strutted over and began chatting to him. Everyone was so gorgeous and sexy, I forgot my editor's advice to "simply watch and report".

I just had to join in...

After making small talk, he said to me: "Forget this mindless chit-chat, just grab my cock and shut the f**k up!"

Feeling his hard rod through his jeans, I undid his zipper and unleashed his huge cock, running my hand up and down his erection.

As my hand moved faster, I felt his fingers slide into my bikini bottoms and he began teasing my clit.

Rubbing his fingers across my nub, it wasn't long before he was exploring my fanny and I felt him close to cumming.

Not slowing down, I came all over his hand as I felt his hot jizz shoot across my chest.

"That was so hot," he panted in my ear.

After my orgasm, I decided I better head on deck out before I got too involved with the on board action.

Turning around, I saw the foursome had been joined by another three people.

## Dripping

I could make out was two women enjoying a lesbian 69er and one woman screaming in pleasure as she had a giant cock slamming in and out of her dripping pussy.

Walking back to my cabin to change out of my cum-stained bikini, my ears were ringing with the sex screams and moans that filled the boat.

Leaving the small ship once we'd docked back in Barbados, I was amazed at the secrecy and privacy given to the guests and fully understood why they were so popular with the rich and famous.

I can almost guarantee that there's no better way to spend their millions than by hopping on a multi-million pound sex yacht and shagging gorgeous people in wild orgies!

**KINKY Nickie Ann has revealed that she loves raising temperatures in the bedroom...by dressing up as a NURSE.**

The saucy 25-year-old said stripping down and donning a uniform really gets her fella going.

The 32C Blackpool brunette said: "Dressing up is something that I absolutely love. I've got all the outfits, but the best one of them all and my favourite to dress up as is definitely a nurse.

"I like to do a bit of doctors and nurses roleplay!"

## Face-sting jellyfish invade UK

A KILLER jellyfish which leaps out of the water and clings onto victims' faces before stinging them to death has been spotted off the coast of Devon.

The Madagascan Springer jellyfish is normally only found in the tropics.

But it's believed global warming has extended its range to take in the southern half of Britain.

Marine biologist Dr Davies Winton said: "The Madagascan Springer waits for prey to pass the shallows where it is lurking, then leaps up and deploys its stingers.

"One of its favourite tricks is to fix itself onto human's faces.

"Death comes within four hours and there's no known antidote.

"A sighting of this creature in UK waters is worrying as the Madagascan Stinger has no natural predators around our coast.

"There's no way I'm going within 10 miles of the sea this summer. And that's a problem – given my job."

**COCK HUNGRY: Fiona on wedding day with Kevin**

**'THAT'S NOWT': Mary Crumpton's story**

By SIMON DEAN
simon@sundaysport.co.uk

**FUN-LOVING Fiona Jenkins must have crossed her fingers during the "forsaking all others" bit of her wedding vows.**

Because although being two years wed to long-suffering hubby Kevin, she has a string of TEN lovers!

Fiona, 34, decided to speak out after reading newspaper reports about Mary Crumpton of Chorlton in Manchester who lives with her husband AND her fiancé – and has TWO more boyfriends.

### 'I had sex with three casual boyfriends on my wedding night'

Fiona, from Stoke-on-Trent, said: "I saw that story in the paper and I thought, 'That's nowt'. I had THREE lots of spare cock on my wedding night!

"Kev's a lovely bloke and all that but he can't keep up with me. I just need lots of cock.

"I've got 10 regular lovers – mostly off the estate, as it's handy.

"There's women round here that call me a slag and that, but they're just jealous.

"They'd love to be able to get their hands on as much cock as I get.

"And I'm always dead careful. I've only had the clap a couple of times."

Cuckolded Kev, who *Sunday Sport* found sobbing into his pint in a local boozer, insisted he was "alright" with his harlot wife's behaviour.

But unlike Fiona, who by her own admission is a good, old-fashioned slapper, Mary Crumpton defines her unusual shagabout antics as "polyamory".

**Slapper**

The 44-year-old has a husband, Tim, 43, a fiance, John, 53, and two regular boyfriends – Michael, 63, and James, 73.

Fiona lives with Tim and John in a godless mockery of the sanctity of marriage, while the other two men live nearby.

## Hookers rage over 'nutty' ad rules

**HOOKERS are complaining that their work is being hamstrung by ludicrous laws which govern what they can and cannot say to potential clients.**

**Government-published advertising regulations mean sex workers could get arrested for using certain phrases in ads, like "natural," "kissable" and "sweet nectar".**

**The list of terms from the state government in Queensland, Australia, also rules out "Mistress Squirt A Lot" as well as banning "Spanish Beauty" unless the sex worker is in fact Spanish.**

**However, the guidelines say it's fine to use words like "magic hands " and "dominatrix".**

**A spokeswoman for the Scarlet Alliance, which represents 20,000 sex workers, said: "The ad regulations are so nutty in Queensland – they don't make sense."**

## Blac: Ideal home has a sex room

SEXY Yank model Blac Chyna says she wants a dedicated SEX ROOM in her dream house.

In a film clip for *Architectural Digest*, Chyna teamed up with Michael Lehrer, of Lehrer Architects in Los Angeles, to design what she'd imagine in her ideal home.

She included an infinity pool, a 10-car garage, a Blac Chyna topiary, a helicopter pad and a room set aside for BONKING.

The 29-year-old told Lehrer in the video: "This might sound kind of crazy. I would also like to have a sex room.

"So, maybe like in my closet, and it's, like, a button that I push and you can go in there – like a secret little room."

The reality star also pitched the idea of including a recording studio in her home, which makes sense as she is currently trying to launch a rap career.

## Big MILFs are cleaning up!

**A NAKED cleaning firm says it is rejecting young, slender applicants as customers prefer to book chunky MILFs.**

**The Naturist Cleaners has 300 professionals on its books who are willing to scrub, dust and polish in the nude at UK homes.**

**Cleaners earn £30-45 an hour and a strict "no touching" policy is in place on all jobs.**

**Clients can request male or female cleaners of a range of ages, shapes and sizes – but it's women of an "experienced age and fuller figure" who are proving most popular.**

**Company founder Laura Smith said: "The kind of people that use the service varies. It's not all men – we have females requesting male cleaners.**

**"We've turned some people down though – our customers prefer women of a more experienced age and fuller figure."**

## Full-frontal Versailles flops with prudes

DROOP IN RATINGS: LouisXIV is actually dressed in one scene

P-LUNGE: George Blagden's Louis makes a grab for Anna Brewster's sexy Montespan

By SIMON DEAN
simon@sundaysport.co.uk

**THERE were fears for the sanity of the British TV watching public after BBC bosses revealed their raunchiest-ever show has been a ratings FLOP!**

With a whopping 30 X-rated scenes over just 10 episodes, *Versailles* – the story of Louis XIV of France, played by George Blagden – was the steamiest show on UK telly.

But now it seems the historical drama has reached the end of the road, as French cable channel Canal Plus has reportedly decided to axe the show, and end it on its third season, as ratings plummet.

### Steamy

The show – screened on BBC2 – had a £21 million budget, and was full of explicit raunch, but it seems that viewers of the series on both the French and British channels were turned off by top actresses stripping naked for steamy screen sex.

A source said: "The BBC made a big decision when it bought *Versailles*, particularly with all the full-frontal nudity.

"At first, viewers were open to all the pornographic scenes but slowly the Beeb saw *Versailles* ratings drop to just one million viewers – and it seems to have had the same affect in France.

"It makes you despair. If people don't like filth, what do they like? Bastard prudes."

# Sexy Amber's dripping stunt!

By GRACE HOOPER
news@sundaysport.co.uk

**HOT Amber Rose put on a racy display for a SEX TOY advert which spoofs the shower scene from the 1960's horror film *Psycho*.**

The model is shown rinsing off her body when she's surprised with the dildo.

The black and white clip begins with Amber in the shower scrubbing her flawless figure.

A shadow of what appears to be a hand holding a knife is seen against the bathroom wall as a mysterious figure approaches.

The figure rips open the shower curtain as Amber screams.

But instead of a knife, a pink and white sex toy is gently handed to her.

"Oh, thank you, I was looking for this," the soaked stunna squeals as she grabs the dildo with an ecstatic look.

The hilarious ad is for Amber's partnership with luxury sex toy maker Lelo.

In the original Alfred Hitchcock film, Janet Leigh was Marion who is killed in the shower by Norman Bates, played by Anthony Perkins.

# Why won't anyone hack MY photos from the iCloud?

SUNDAY Sport EXCLUSIVE

HACKED OF KINDNESS: Joan wants fame and fortune

By SIMON DEAN
simon@sundaysport.co.uk

**WHEN Joan Lorimer hears celebs griping about their "privacy being invaded" by hackers who've stolen their private photos, she's filled with a jealous rage.**

Because even though the 47-year-old from Droitwich, Worcs, has saved around 3,000 intimate and X-rated snaps on the iCloud, NOT ONE has been hacked!

## Nudie

Aspiring actress Joan said a leak of her nudie snaps would be a short cut to celebrity and fortune but she's still waiting for the fickle finger of fame to point in her direction.

The singleton, who lives with her 12 cats, told *Sunday Sport*: "Who'd heard of Emma Watson, Kym Marsh or that Jennifer Lawrence before their pics were leaked by iCloud hackers?

"Nobody, that's who!

"Their personal snaps get leaked and all of a sudden, they're megastars.

"And they're complaining about a breach of security and invasion of privacy.

"These ruddy girls would be nowhere without hackers. But have the hackers nicked any of my photos? No. Not one.

"I've got a piss-easy password – *Droitwich1234*, which even a four-year-old could guess.

## Knickers

"But still nobody's pinched anything from my iCloud.

"I don't know what Watson, Lawrence and Marsh have got that I haven't, but it's not fair."

The iCloud is some sort of space-age virtual filing cabinet in the sky where iPhone users can keep their personal photos and documents.

Details remain sketchy but it seems that Russian hackers using miles-long virtual sky hooks can 'fish' photos out of the iCloud.

Jennifer Lawrence and Kym Marsh had XXX-rated videos hacked from the iCloud, while Emma Watson got her knickers in a twist over some snaps of her trying on frocks.

# Nitty Nora cock explorer!

A SCHOOL nit nurse has been charged after she allegedly had sex with a teenage student at the high school where she rummaged for lice.

Angela Dee Beik, a 46-year-old nurse at Linn-Mar High School in Marion, Iowa, was placed on leave last month after she told two nurses at St. Luke's, a hospital in Cedar Rapids where she also worked, that she had sex with a student.

She was fired from her position at the school district on April 9, school officials said.

By VAL O'FIELD
news@sundaysport.co.uk

The alleged incidents occurred in Cedar Rapids during a period of several months. When investigators quizzed Beik, she admitted having sexual contact with the student while employed as a nurse.

The Linn Co Sheriff's Office served the arrest warrant and took Beik into custody.

Beik told the nurses at St. Luke's she had a "make out session" with the 16-year-old student in October, and then in March received a Snapchat video of the student masturbating, according to an application for a search warrant.

In the video, the student stated his mother had left and he was "ready," police wrote in the warrant.

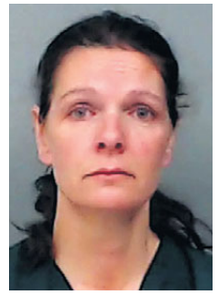
The Department of Human Services began an investigation on March 18 and police have since seized Beik's mobile phone.

Matthew May, the school district's spokesman, said Beik had been a full-time employee with the district since August 2016.

Her duties included searching for nits, tending to minor injuries and handing out the morning after pill.

He added that student safety is the district's foremost concern and administrators take abuse allegations seriously.

Beik (*right*) was placed on leave and has since been fired, said a spokeswoman.



## Miss set up teen sex on Messenger

A TEACHER allegedly confessed to having a sexual relationship with 15-year-old student and to setting up their encounters on Facebook Messenger.

Keri Hoffman (*above*), 35, is said to have told authorities she had been having sex with the lad since March 30.

Hoffman said she used Messenger to communicate with the teenager and to set up where they would have their encounters, including in her car and inside her father's detached garage.

Agents with the State Bureau of Investigation quizzed Hoffman, of Clinton, Oklahoma, and charged her with facilitating sexual conduct or communication with a minor by use of technology and two counts of second degree rape.

Hoffman was booked slung in jail and her bail was set at £20,000.

It was not clear last night whether she is still in jail, or whether she has coughed up the necessary.

VILE SCENES AT BIRTHDAY PARTY

# THIS WOMAN SHAT IN LOVE RIVAL'S CHICKEN NUGGET BOX

Sunday Sport EXCLUSIVE

**SIMMERING TENSION: Clare Pringle (*left*) had grub soiled**

**WHEN women fall out over a man it can get VERY nasty.**

But few spats have descended to quite the grotesque level as that between Ellie King and her love rival Clare Pringle – who both claim the affections of a delivery driver, who cannot be named for legal reasons.

On Wednesday the simmering tension between the pair boiled over when Ellie SHAT in Clare's box of Chicken McNuggets.

And if that were not bad enough, the vile act took place at a kids' birthday party.

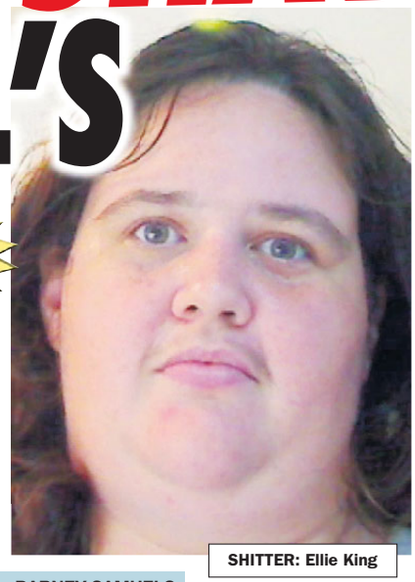
Conflict was inevitable when Clare and Ellie's kids were both invited to the same party in Hull.

The host had spared no expense and laid on a McDonald's buffet along with lashings of Tizer.

But the festivities turned to shit – literally – when Ellie soiled a box of nuggets that Clare had briefly put down.

### Filthy

Another partygoer told *Sunday Sport*: "I don't know how she did it, but Ellie got hold of Clare's nuggets and shat in them.



**SHITTER: Ellie King**

By BARNEY SAMUELS
news@sundaysport.co.uk

"Clare screamed when she realised what had happened and she knew straight away who was responsible.

"She screamed, 'You filthy f**king bitch' and they started scrapping like vicious alleycats.

"It put a downer on the party as all the kids were screaming too."

The 32-year-old van driver, who both girls claim as their own, now wants neither woman and went to court for a restraining order which bans them from coming with 100 yards of him, while also banning his identity being revealed in the Press.

## Supply Miss 'had sex with teenage lad'

A SUPPLY teacher has been charged with having unlawful sexual relations with a teen.

Nicole Reed (*above*), a 42-year-old substitute teacher, was arrested outside Concordia High School in Kansas.

She was charged in Cloud County District Court with one count each of aggravated indecent liberties with a child and solicitation of a child.

She has since been released on bail.

Charging documents say that on or about July 4, 2015, she had unlawful sexual relations with a boy who was at least 14 but not yet 16.

She also is accused of soliciting the teen previously.

Despite being hired as a substitute teacher, and previously working full-time for the district, Supt Quentin Breese said Reed's arrest is not related to her time with Concordia Public Schools.

## Sex photo scam gang deported

AUTHORITIES have deported 89 Chinese nationals involved in a huge internet SEX PHOTO scam.

The suspects, including 15 women, were flown out on two planes sent by the Chinese government.

It's believed all 89 will be immediately executed when they arrive back in Beijing.

General Ouk Haiseila, chief of the Immigration Bureau in Cambodia, said members of the group contacted women in China over social media and tricked them into sending erotic photos, then extorted money by threatening to spread the images online.

Online scams by Chinese gangs that operate from foreign countries and target mainland Chinese are common throughout Southeast Asia, and have also been caught operating as far afield as Kenya and Spain.

The gangs base themselves outside China to avoid their country's feared secret police, who instantly execute wrongoers.

BANGED UP: Wakefield was high on meth and cannabis

"FULL OF EVIL": Trina with one of the pet dogs

**A LOON who decapitated his wife and their two dogs before gouging out his own eye and hacking off his arm has been caged for 29 years.**

Troubled Kenneth Wakefield, 45, was off his tits on crystal meth when he went on the rampage at the home he shared with wife Trina Heisch in Phoenix, Arizona.

### Bloodied

The attack took place on July 25, 2015, and was discovered when a neighbour who had gone to check on the couple said he came face-to-face with a naked, mutilated and bloodied Wakefield.

When police arrived, they noted Wakefield's arm and eye were missing.

They then discovered the headless corpses of Trina, 49, and the two dogs.

Wakefield told cops he was "trying to get the evil out" of Heisch by chopping off her head.

He was high on meth as well as synthetic marijuana at the time.

Maricopa County Superior Court heard the pair met while they were each serving 10-year sentences in the nuthouse for stabbing relatives, and were found "guilty, except insane".

He had sought an insanity defence in his wife's death, and eventually pleaded guilty earlier this year in a plea deal.

By BRAD CHADWICK
news@sundaysport.co.uk

### Apologised

Wakefield apologised to his late wife's family at his sentencing.

He said: "I just wanted to say I'm sorry. I can't change it.

"I suffer also. She was my best friend."

Wakefield received 25 years for the murder of his wife, and two for each of their two dogs.

# DEANO ON SUNDAY

## Guess what's racist now?

SEE that clump of Japanese Knotweed threatening to knock half the value off your house? Want to get it shifted?

Don't. It'd be a RACIST act.

I really, *really* wish I was making this up.

According to "environmental expert" – dear reader, raise your eyebrows when you hear those dread words – Fred Pearce, when we talk about non-native species being "invasive", we're just being "xenophobic".

Where the f**k do they find these people? Are they specially bred in some lab in Shoreditch?

Pearce says the effects of the knotweed – which strangles other plants and grows through your house – and invasive creatures such as grey squirrels are being exaggerated.

Pearce gave a talk at the Edinburgh Science Festival where he argued that foreign animals are being "demonised".

Grey squirrels, introduced to Britain in the 19th century, have wiped out large numbers of native red squirrels because they carry a pox which is harmless to them but deadly to reds.

But Pearce said whether British squirrels were grey or red made no difference to the natural world.

### Bad

Speaking ahead of his talk, he drivelled: "If you look at the language used to describe these 'invasive species', it is very xenophobic and suggests that anything foreign is bad. It is terrifyingly similar to the language which can be used about immigrants invading the country."

There you go. You can't even say anything bad about foreign f**king plants and animals!

Getting contractors in to clear your knotweed seems to be on a par with chucking a Romanian in the river, in the mad, mad, mad world of Pearce and his ilk.

I looked up Fred Pearce.

Guess what? He's a regular contributor to, yes, *The Guardian* newspaper.

One of his columns is entitled: "Is the way we think about overpopulation racist?"

Oh, for f**k's sake! That's the base from which all the soppy Guardianista class start.

All white people are racist and anything they do is driven by this hateful prejudice.

Meanwhile, anything foreign – apart from anything from the USA or Israel – is good, wholesome, natural and part of the rich international tapestry.

It's EXACTLY this sort of warped mentality that sentenced hundreds of young white girls across the country to abuse at the hands of Pakistani – sorry, Pakistani-heritage – paedophiles.

Who would have ever believed that f**king WEEDS could become part of the Left's assault on common sense and decency?

Sunday Sport CAMPAIGN: JUSTICE FOR BESSIE

# OAP faces jail for naked strimming in her OWN GARDEN

FACING JAIL: OAP Bessie received complaints

**THE full force of the Nanny State came crashing down on a 71-year-old pensioner after she stripped STARK NAKED in her own garden.**

By SEB WATSON
news@sundaysport.co.uk

Bessie Gordon went out to tackle her garden in Goole, East Yorks, last Monday and had soon worked up such a sweat she decided to peel off.

She told *Sunday Sport*: "I was in my own back garden and could hardly be seen by anyone.

"I loved the feeling of freedom as I went about my naked chores.

"I'd been hard at it with the strimmer for about half an hour when some twat in a peaked hat poked his nose over my fence and barked, 'I want a word with you!'

"This bloke told me there had been complaints, so I asked him 'From who?'

### Arrested

"He said, 'It doesn't matter from who, I'm from the council and I'm telling you to put some ruddy clothes on!'

"Well, I told him, 'Go and f**k yourself, you c**t' and lobbed a plant pot at his head.

"Next thing I know, the police were here and I'm being arrested for threatening behaviour and assault. They've told me I could even go to prison!

"Just for using my strimmer in the buff! It's madness."

Julius Pemberton of civil liberties group Prod Off raged: "Can it be that a nation which stood alone for freedom and liberty in 1940 is now adopting the policies of the evil fascist regime it eventually defeated?

"One of the Nazi's first acts was to ban naked strimming – a law they eventually imposed on their entire European empire.

"Justice for Bessie!"

## 'Lust in space' team launch jizz

**HUMAN SPUNK has been sent to the International Space Station for the first time, as Nasa tries to find out if humans could ever conceive in space.**

**Carried aboard Elon Musk's SpaceX Falcon 9 rocket, the sperm will be experimented on to see how space and low gravity affect sex cells.**

**Astronauts onboard the ISS will thaw the frozen jizz to see if sex in space would lead to reproduction.**

**The study is being undertaken as part of Nasa's Micro-11 mission, which hopes to learn how micro-gravity affects the swimming of sperm and how well they move in space.**

## Clams killed off by giant cocks

AN ancient species of sea mollusc went extinct because of its giant COCK, a boffin claims.

Extinct species of "ostracods", clam-like crustaceans which have been on the planet for 500 million years, were studied.

Under the creatures' shell is a large sperm pump, up to 30 per cent of its body length, but in some cases even longer.

Species where the 'cocks' were really big went extinct more quickly, said Gene Hunt of the Smithsonian National Museum of Natural History in Washington.

**WHAT could be better than a glamour girl getting her boobs out?**

Why, TWO glamour girls getting their boobs out, that's what!

Boob expert Dr Barry Wilkins, of the University of West Lancs, told us: "The idea of two girls together, without their tops on, is top of the list for many men.

"It's only beaten by lesbian anal piss play and clown porn in most best-liked fantasy lists."

Here at *Sunday Sport* we're on bread and water for the rest of the year because we've blown the ENTIRE picture budget on SIX PAGES of our top glamour babes posing together in saucy twosomes.

By SIMON DEAN
simon@sundaysport.co.uk

*Sunday Sport* picture editor and Head of Vision Mark Tate, 48, said: "It took absolutely ages to book all these babes into our photo studio.

"And it cost us a ruddy great fortune!

## Garters

"I've had to do some very fancy accounting, because if the editor ever finds out how much I blew on this feature he'd have my guts for garters!"

Still, folks, we reckon that it's money well spent.

Enjoy the pics, lads!

# 10 things you might not know about BRITAIN'S GOT TALENT

POPULAR show *Britain's Got Talent* returned to screens this weekend for its 12th series.

With £250k cash and a spot at the Royal Variety Performance up for grabs, the auditions kicked off last night.

Simon Cowell, 58, Amanda Holden, 47, Alesha Dixon, 39, and David Walliams, 46, all returned to the judging panel with hopes of unearthing a new star.

Here are 10 things about the show you may not have known…

**1 THE judging panel might look familiar now but there have been 11 judges over the years including Piers Morgan, David Hasselhoff, Carmen Electra and Michael McIntyre.**

**2** IT was meant to be called *Paul O'Grady's Got Talent* but when Paul pulled out, the show went to America instead. Due to its huge success, it was brought back to the UK in 2007 and *Britain's Got Talent* was born.

**3 ACTS audition three times before they audition for the celebrity judges. First, they perform in front of a producer, then a senior producer, then another panel before finally getting on stage in front of the cameras and the famous judging panel.**

**4** SUSAN Boyle's audition is the most watched EVER, amassing close to a BILLION views over the years.

**5 A WHOPPING 450 acts have made it through to the live shows from the thousands that enter every year.**

**6** FERN Britton and Cheryl Cole were originally supposed to be on the judging panel but both turned the prestigious job down for various reasons.

**7 KELLY Brook was a judge for two days and famously blamed hosts Ant & Dec for her short-lived appearance, saying they didn't like her.**

**8** ALTHOUGH there are plenty of people who love the show, Amanda Holden's boob-baring dress she wore in 2017 attracted the most Ofcom complaints of the year.

**9 2015 winner Jules O'Dwyer sparked a controversy after she used a stunt dog in her final performance. When it was revealed, more than 1,100 viewers complained to Ofcom and ITV even offered refunds to fans.**

**10** THERE are now 56 versions of the talent show, in countries across the globe including Albania, Peru and Russia.

# Tits out for Trumpy!

SUPPORT: A tourist poses with feminist

LEADER: Trump

FLASHINGTON: Topless protest babes get 'em out at gates of White House

By BRAD CHADWICK
news@sundaysport.co.uk

**BY his own admission, Yank President Donald Trump is a big fan of "pussy" which he enjoys "grabbing".**

But let's hope he is also a tit man who'd appreciate this saucy display outside his official residence, the White House.

A group of feminists picketed the Washington DC mansion to protest against laws which ban women from going topless – while allowing male upper nudity.

## Illegal

GoTopless President Nadine Gary said: "Any state or local law which makes it illegal for a woman to go topless is unconstitutional.

"But most people don't know that.

"And that's why we're taking the issue of topless rights to the top by demanding the president's attention to this issue.

"A woman's right to go topless falls under the 14th Amendment's gender equality provision."

# Naked axe-wielder shot in cock

**A MAN was shot in the DICK with rubber bullets when he ran at cops brandishing THREE axes.**

**Cops were called after the man went berserk with a crowbar, smashing up a motel and threatening other guests.**

**When police arrived, he trashed a water heater and a stove and also threw a toilet out a window.**

**The unnamed 35-year-old suspect then stripped naked and armed himself with three axes and a knife, threatening to kill officers at the Golden West motel in Edmonds, Washington state.**

**A police spokesman said: "We were finally able to subdue him, using two heavy duty rubber bullets in the groin."**

**The man was charged with making threats to kill, assaulting an officer and malicious mischief and slung in nick.**

## FIRST SEX

**JENNY:** My first time was with this guy I was dating when I was 16. We were going out for about two months when he decided he wanted to have sex just because his best friend had!

Before that all we had done was kiss. I was really nervous, and it didn't help that the first time he wanted to do it was behind an abandoned house, at night in a park.

Naturally I said no! Anyway, a few weeks later he came round to mine while my mum was at work and, after a good snogging session on my bed, one thing led to another.

He had a condom, but no lube, so it hurt going in, but after a few minutes it started to feel really good and I got a bit more natural lubrication.

I wouldn't say the earth moved, but it wasn't bad either.

I think we had sex about five more times before I dumped him for this much fitter guy, who was awesome in bed!

**JANE:** I waited until I was almost 19 before having sex for the first time.

It was my first year of uni, and my first serious boyfriend. We'd been dating for about three months and we were crazy about each other.

He had a lot more experience than I did, but he never pushed me to go all the way. We even talked about what we'd do if I got pregnant.

Anyway, the night we decided to do it, it almost didn't happen because he forgot the condoms. We'd spent ages making each other feel really horny, and I was dripping wet by the time it came to it, but when he looked in his bag the johnnies weren't there.

He had to run all the way to the other side of the building to get them from his room. I almost fell asleep in the meantime because we'd had a few glasses of champagne.

But he soon woke me up again and it was even better than I imagined. I even had an orgasm, which I feel is a pretty good achievement for a virgin!

## FIRST OUTDOOR SEX

**JANE:** My first al fresco nookie was with the same guy. It was the holidays and I hadn't seen him for weeks.

One week I went for a walk in the woods near my house on my own and was talking on the phone to him.

It started to get a bit heated and I was feeling really turned on. Then he asked for phone sex.

I found myself sat behind a big tree playing with myself. Thankfully, there was absolutely no-one around that day, because I had an amazing orgasm and it felt like you could hear it for miles!

The next time he came to visit me at home, I took him to the woods and showed him where I'd masturbated. He got turned on straight away, so I took my knickers off and let him shag me against the same tree.

**JENNY:** My mum and dad used to own this house in France and a couple of years ago I took my boyfriend on holiday there.

We'd gone for a drive and found this little lake. It was deserted, so we decided to do a bit of skinny dipping, only my bloke had something else in mind.

He came over to me in the water and it was already hard. So he slipped inside me and we started to have sex in the water.

It was a bit slippy though, so after a few minutes we swam over to the shore and he shagged me on the side of the lake.

I'm sure somebody must have seen us because a couple of cars went by, but no-one stopped or said anything. It still turns me on thinking about it.

## FIRST BUM FUN

**JENNY:** You'll probably think I'm a right slag, but the first time I had anal sex was with a guy from work at the Christmas do.

I'd fancied him for ages and I could tell he felt the same way, but because he had a girlfriend he didn't do anything.

Anyway, we had our Christmas party at this really posh hotel in town. I was really drunk and decided to make my feelings clear by grabbing him and snogging him in front of everyone.

I'm not really sure who was more shocked – me, him or everyone else.

Anyway, about 10 minutes later he came up to me and told me to follow him. We ended up in the disabled toilet and couldn't keep our hands off each other.

I was so turned on, and so was he, but it was my time of the month. So he suggested we try a different route and started playing with my bum with his finger.

I really liked it, so I let him do me up the bum. Even though I was really pissed, I came, it was amazing.

I've been a big fan ever since.

**JANE:** I'm still a virgin when it comes to bum sex, but I know I would like to try it one day.

I had this one boyfriend who was desperate to do it, but I just wasn't ready at the time. Instead, I let him put a finger up there when I was drunk.

I pretended I only did it for him, but secretly I really liked it. He even rimmed me once, and it made me really wet.

Looking back, I'm not sure why I didn't just go for it with him, because the normal sex we had was fantastic.

If I ever meet him again I'm going to drag him off to the nearest bedroom and bend over.

It's definitely something I'll try in future with the right bloke.

## FIRST TIME DRESSING UP

**JANE:** Remember the guy I was seeing about a year ago? He was really into role play and dressing up.

I found it a bit daft at first, and just felt stupid and not sexy doing it, but then one day he left this internet site open on the computer with tips and stories about dressing up.

I found it really horny. A couple of nights later we arranged to meet at a pub in town, so I went out and bought a wig.

He didn't recognise me at first and thought I was some random girl trying it on. When he realised it was me, he was really turned on.

I also picked up a French maid's outfit at the same sex shop and had that waiting back at my flat.

We hardly spoke during the sex, which made it even more exciting. From then on I was converted and I put on the outfit at least once a week.

He even bought me a slutty schoolgirl outfit and a leather basque.

**JENNY:** The first thing I ever wore in bed for a man was a sexy basque with stockings and suspenders. Let's just say he was extremely appreciative!

After that it got a lot more full on and, to be honest, I think I enjoyed it more than him.

I've always been a bit of an extrovert and I love doing stripteases and lap dances for my boyfriends.

One guy I was seeing had a thing for stilettos and kinky boots, so I bought a pair of black, PVC thigh-high boots in a sale.

He almost came in his pants when he saw me in them and wasted no time getting his clothes off. The sex was frantic and thrilling.

My favourite thing is to wear a pair of heels and then get bent over a table or back of a chair. It feels so naughty and really turns me on.

# ARIA STILL LOVES AIRING HER BOOBS!

**BUSTY Aria Giovanni is set to appear on a TV show in her native Italy about her years as a teenager.**

The modelling legend, who's 37, says she's been thinking back to her those years for the programme.

She said: "They want me to talk about my breasts developing. I started quite young and by the time I was in my mid-teens by boobs were very large.

By WENDY THOMAS
news@sundaysport.co.uk

"The moment I was 18 I signed up for a modelling agency and when the boss asked if I would be happy to do topless work I almost shouted, 'Of course I am!'"

Since making her topless debut Aria has graced the covers of countless mags and loves getting her 34Ds out.

She added: "The idea of men ogling me still gets me all wet!"

## 49 MICHELLE CLACK

**MOUTHWATERING Michelle Clack shot to fame after quitting her job as a care home assistant to take up topless modelling.**

And the loss to old people was the breast connoisseur's gain as Michelle went on to conquer all men with an eye for beauty.

She was famously Katie Price's mate and bridesmaid when Katie wed pop star Peter Andre in 2003.

But the pals fell out for good when Katie accused her of having an affair with Andre – which both parties denied.

In her heyday the 36DD Kent cutie was also featured in an ad for a men's cologne and was a pit babe for the Formula One Jordan team.

Now 40 and retired from the glamour scene, Michelle is happily married to champion windsurfer Nick Baker.

*Sunday Sport* picture editor Mark Tate said: "Michelle had it all and is definitely up there with readers' all-time favourite babes."

# SEE THE HOT NEW STARS IN PORN

NEWCUMMER: Carmel writhes in pleasure after taking a massive todger

TELEVISION X

**THERE'S a new series arriving on Television X which showcases some of the freshest cherry popping talent from the UK.**

Saucy Scottish sexpot Amber Deen opens the series with a hardcore scene so brilliant that even the biggest porn junkie will weep tears of joy. This is total filth!

Mini f**k doll Carmel Anderson takes on a big black shlong in scene two, showing that she can handle any size, just as long she's promised a massive load of cum to play with at the end.

## Fire

Slutty Sienna shags a guy called Sam in scene three. They hadn't met before the day of the shoot, but that's the nature of the porn game. Luckily enough, the pair got on like a house on fire. Sam remarked on how nice it was to bury his member inside her "wet bit".

Brand new classy babe Kloe takes a serious knobbing in the penultimate scene of this f**ktastic show.

Watch as her body gets spread and pounded, thrown around the room and covered in spunk.

The final newcummer is sexy Victoria, the kind of woman you'd expect to see on any UK high street. A classic British MILF with a whole that's open for business.

# KERINA'S KEEN ON COOKS!

By WENDY THOMAS
news@sundaysport.co.uk

**DON'T get between lovely Kerina and her telly tonight – because the sexy 22-year-old is truly addicted to BBC1's *MasterChef* and it's the final!**

The 34D beauty from Hammersmith, west London, said: "I've loved this series of *MasterChef*, even thought that big fat baldie one is a bit of a mouthy wanker.

## Marathon

"I'd love to say that the show has inspired me to do more cooking but if I'm being perfectly honest, it hasn't. The fact is, I still like takeaways.

"It's like I know I'll watch the London Marathon next week but that won't make me take up running or anything.

"I find getting my exercise naked and in bed much better!"

# OF THE TELLY

By BARNEY SAMUELS

## All aboard for a great series

### *Britain's Biggest Warship* – BBC2, 8pm

NEW series. Film-maker Chris Terrill captures an intimate and personal portrait of life on board ultra-modern super aircraft carrier HMS Queen Elizabeth, as its crew learns the intricacies of a ship that will change the way Britain goes to war.

In this first instalment, early 2016 sees sailors begin to arrive in Rosyth dockyard in Scotland where the ship is still in construction, but nearing completion.

Captain Jerry Kyd and his 700 sailors are assembling to take the prototype warship to sea for the first time. These trials herald what should be 50 years of service.

### *The Crystal Maze* – C4, 8pm

NEW series. Richard Ayoade guides the Hauxwell family through the Aztec, Medieval, Industrial and Future zones of the Maze, tackling a range of skill, mystery, physical and mental challenges to win time in the Crystal Dome.

Quite honestly, this one passed me by first time around but they say it's very popular among the young people.

Maybe they think its something to do with crystal meth?

### *My Year With The Tribe* – BBC2, 9pm

NEW series. Writer Will Millard lives with the treehouse-dwelling Korowai tribe in Papua, Indonesia, to understand the pressures they face in adapting to a modern world they have only come into contact with in the past 40 years.

He visits the people four times over the course of a year to discover how much of their traditional hunter-gatherer culture remains, discovering they've become skilled at constructing an image of their society to appeal to outsiders.

A couple of years back Millard had to make do with paddling down the River Taff in Wales – now he's poncing about with headhunters.

Quite a promotion.

## TUESDAY

### *Top of the Shop with Tom Kerridge* – BBC2, 8pm

NEW series. Four food producers with fledgling businesses test out their products on the locals in Malhamdale in the heart of the Yorkshire Dales.

They have two days in the shop to promote and sell their wares. This time it's makers of preserves, pickles and spreads battling for a place in the final.

Tom Kerridge meets members of the community as they try the unusual preserves. Meanwhile, judges Alison Swan Parente and Nisha Katona visit the food producers at home to see how well their product is made.

### *Stephen: The Murder that Changed a Nation* – BBC1, 9pm

NEW series. Documentary examining the 1993 death of Stephen Lawrence, beginning with a look at events leading up to his murder and the police investigation that follows.

As the suspects remain free, tip-offs from the community make his parents, Doreen and Neville, wonder why the authorities are not making arrests.

## DON'T MISS THIS!!!

### *Portillo's Hidden History of Britain* – Friday, C5, 9pm

MICHAEL Portillo visits four abandoned locations that were at the centre of relatively unknown historical events, examining their place and importance in our past.

He begins at the Royal London Hospital in the East End, which closed its doors in 2013 but pioneered medical breakthroughs and healthcare for generations from its founding in 1740.

It was also the home of Joseph Merrick, known as the Elephant Man, who spent the last three years of his life as a resident.

# THE WORLD FAMOUS AGONY Page

## Dear Ava,

ME and my nympho friend met a group of 12 lads on a wild night out in Manchester and ended up having a sex orgy with them.

My knickers were soaking by the time five of them stripped me off back at their hotel and I soon had cocks in every hole.

It was such a turn-on when I glanced over to see my mate with two cocks in her gob, one up her arse and fanny, and she was tossing two others off as well.

Now we're worried ordinary sex with just one bloke will be boring. Any advice?

*CF, North Yorks*

**Ava says...**
**IF you're into orgies, go online and see where the local sex parties are.**

## Dear Ava,

I'M a 36-year-old divorcee and I was in my local when I met the strapping nephew of the fella who owns the farm just down the road.

And when I showed an interest in his job he offered to let me see the herd he helps breed.

After a tour of the farm, we sat on a bale of hay and ended up snogging as he fondled my breasts.

I found that he had an impressive nine-inch penis, which he soon had thrusting in and out of me.

After I climaxed I sucked him off and he went down on me before arranging to meet in the pub.

But he never turned up. Am I wasting my time?

*RC, Surrey*

**HE was just a young bull on the pull. Forget him.**

RIGHT! Which one of you shitheads nicked my yoghurt out of the fridge? Hmm? I'm going to squeeze your cocks till you tell me!
OUCH! It was Tim - it was all his idea!
No! Dan suggested we steal it to dip our biscuits in!
Well, the way I see it - you both owe me a pint of yoghurt...

# I checkout the talent at our supermarket!

## Dear Ava,

**I RECENTLY volunteered to go to the supermarket each week, to save my missus the chore.**

Each time, after loading my trolley, I'd go to the checkout and once or twice I saw the same assistant, who looked familiar.

On the most recent trip I was ready to pay when the girl motioned me close and whispered: "Wait outside."

I was intrigued as it was almost closing time, so I waited in the car park until she was finished.

I offered her a lift home and once at her place, she opened her blouse, popping out her 36Ds, then grabbed my stiff manhood.

I was giving her one from behind when I noticed a school photo on the sideboard and then it clicked – she was my first shag, and I hadn't even recognised her!

She says I'm her only true love and wants me to move in with her.

What should I do?

*RF, Wilts*

### Ava says...

**CHANGE supermarkets – if you want to stay married.**

## Dear Ava,

A COUPLE of weeks ago I caught my wife shagging our neighbour.

He's 50 and is a keen gardener and me and my wife are both 30.

I heard them chatting in the garden and he said he would come round and "trim her bush".

My wife found this funny, so I suspected that she fancied him.

I told her I was going golfing but returned within an hour to check on them.

As soon as I got in I could hear her moaning from our bedroom.

I went upstairs and watched as my neighbour f**ked her.

She had her legs over his shoulders and the bed's headboard was banging against the wall as he slammed into her.

The trouble is I got turned on by watching her having sex without her knowing I was there.

I think she's going to shag him again this Friday because she's booked a day off and I'm going to watch again.

Do you think I'm weird?

*FD, Derby*

### Ava says...

**NOT at all – lots of people get off on watching their partners have sex.**

## Dear Ava,

I'VE been going with my 19-year-old girlfriend for three months but I'm not so interested in her – it's her MUM I want.

I'm 29 and when I met my girl I thought she was the one for me.

She's a great shag and has a fantastic face and figure – and she also likes a bit of backdoor action.

Everything was going great until she invited me to her parents' home for a family party and that's when I first tried to get into her mum's knickers – without success, but I'm sure she's well up for it.

What should I do?

*MK, Bucks*

### Ava says...

**IT will only get messy if you get involved with the mother!**

HOT, FROTHY, BOLLOCK YOGHURT!
SLURRP! LEHRRR!
SLAP! SLOP! SLAP! SLOP!
Here, let me hold your leg for you.
Ta. Let this be a lesson to you both - don't steal my Muller
SLOP! SLOP! SLOP!
Oh, we won't!

**Bexi says...**

**Label your food. And if that doesn't work – eat THEIR food in retaliation. It's the only way.**

# Angelica is porn to be a star

**RAUNCHY Angelica Black comes from the mountain regions of Romania.**

By WENDY THOMAS
news@sundaysport.co.uk

And her tough upbringing has stood her in good stead for the porn business.

The 28-year-old said: "I fought wolves when I was a little girl so naughty producers trying it on with me are a piece of cake.

"They try to rip me off with my fee, and I say 'I will chop off your cock', ha ha!"

She added: "I like anal with big meaty cock. Plenty spunk, yes?"

# ALL THE BIG CHAMPIONSHIP ACTION

## Sheff United 1
## Millwall 1

**THE Lions stretched their unbeaten run to 17 matches but cling onto their play-off place by the skin of their teeth after drawing at Bramall Lane.**

**A goalless opening half belied the quality of both sides.**

**It was the Blades who took the lead through a Leon Clarke header but that lasted just two minutes as Steve Morrison volleyed home the leveller just two minutes later to grab a point.**

## Barnsley 2
## Bolton Wand 2

THE Tykes rescued a point with a goal three minutes into injury time from Ollie McBurnie.

Barnsley led at half-time thanks to Gary Gardner's strike into the top corner.

William Buckley was brought down to allow Adam Le Fondre to level from the spot and Craig Noone's strike looked to have won it just five minutes later before McBurnie's late equaliser.

## Burton Albion 3
## Derby County 1

**THE Brewers found the right mix to stir things up at the bottom of the table and move within five points of safety but still require a miracle to stay up.**

**Liam Boyce was unmarked at the far post to open the scoring against their local rivals but David Nugent levelled for the Rams**

**Luke Murphy curled home for Burton's second and the win was secured by Lucas Akins.**

## Hull City 0
## Sheffield Wed 1

THE Owls tamed the Tigers but not without a late scare as Hull had a goal disallowed for offside in injury time.

Jordan Rhodes gave Wednesday the lead heading a cross from Jack hunt after earlier being denied by McGregor in the Hull goal.

City battled and thought they had saved a point when Abel Hernandez poked home past Joe Wildsmith but the flag was up.

## Middlesbrough 2
## Bristol City 1

**BORO moved up to fifth with this win over a Robins side losing form at the wrong time.**

**Things started rosily for Lee Johnson's men when Milan Djuric finished well to give them the lead but George Friend headed home the leveller just five minutes later.**

**The all-important winner came from in-form centre back Daniel Ayala who headed home a great centre from Adama Traore after the break.**

LOOKING UP: Conor Coady

# WOLVES READY FOR CON TRICK

## Coady wants to give local rival case of Blues

**WOLVES' Conor Coady is desperate to win promotion against local rivals Birmingham.**

A win over Blues today would put Wolves back into the Premier League for the first time since 2012.

And it would be made all the sweeter for fans and players alike to get the vital victory in a derby match.

Skipper Coady says he is trying his best to treat it like just another game — but that won't be easy.

He said: "We're ready to go.

"We all know the situation and where we've put ourselves. Everyone's really excited.

"It's been like that all season, looking forward to games and that doesn't change now.

"We all know what's at stake but we're preparing exactly the same way as we usually do.

"There's no stone left unturned, he goes over everything on a daily basis and it's the same this week.

"It's a Midlands derby, I've played in a few myself and it's not nice to be on the losing end.

"We go into the game confident and ready to go. We'll stick to what we know best and prepare right."

Birmingham boss Garry Monk couldn't care about Wolves as he has a relegation battle on his hands.

Blues can still get themselves out of trouble but they need to put a string of wins together fast.

Monk said: "Our destiny is in our own hands and that's where you want it to be.

"While it's in your own hands you have to fight as hard as possible. We're confident, we've been performing well, and the lads are very much together.

"I always try and select the team that can serve us best for any given game and all the players have been ready

"They've been training very hard and it's a competitive environment and that's the way we like it and the way we've tried to make it."

### Wolves v Birmingham

Sunday, noon kick-off, on Sky Spts Football

FIGHT: Garry Monk

## Norwich City 0
## Cardiff City 2

**THE Bluebirds secured victory with two late goals to move back into second place.**

**The Canaries hit the post in the opening half with a strike from Dennis Srbeny but that was as close as they came to hitting the target.**

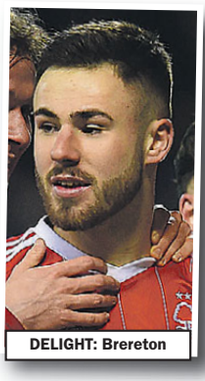
**Kenneth Zohore scored with four minutes to play firing into the bottom corner before Junior Hoilett rifled one into the top corner to secure the points.**

## Nottm Forest 2
## Ipswich Town 1

IPSWICH were undone at the last by a Forest side that grabbed a winner in the fifth minute of injury time after levelling with just a minute to go.

Grant Ward put the Tractor boys in front by heading past Pantilliimon for a half time lead.

Ben Brereton scored the leveller from the spot after being brought down before Joe Lolley volleyed home Brereton's centre for a dramatic win.



DELIGHT: Brereton

## QPR 1
## Preston NE 2

PRESTON came from behind to keep their play-off hopes alive as they lie just three points behind Millwall in sixth place.

Matt Smith put the Hoops ahead by poking home Ryan Mannings cross but North End levelled on half time Callum Robinson's shot creeping over the line.

Robinson had an effort ruled out for offside but he scored the winner for Alex Neil's side.

## Reading 2
## Sunderland 2

**A DRAW is no good for either side as they both battle against the drop but Sunderland will feel aggrieved at losing two points after leading.**

**Jon Bodvarsson was brought down and Liam Kelly put the Royals in front from the spot.**

**Paddy Macnair levelled with a long distance effort before Lee Cattermole put the visitors in front.**

**Reading equalised through Yann Kermogant's header to rescue a point.**

# SHARE THE PAYNE!

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

SAFE STANDING: Rail seats are at many grounds

# SAFE STANDING MAKES SENSE

**TODAY marks the 29th anniversary of the Hillsborough disaster – coming at the end of a week where discussions over the introduction of safe standing at football grounds were raised again.**

Those at Government level making the decision to stop a return to standing at our football stadiums are clearly out of touch with both modern-day football fans and match-day conditions at stadiums.

Football fans want to stand, it's only natural given the intensity of watching a match which is like no other spectator sport.

Fans standing in seated areas is arguably more of a threat to safety than fans stood in specially designed rail-seats.

We need to remember the many factors that caused that terrible tragedy, which wasn't just the terraces.

Thankfully we have seen off perimeter fencing and poorly maintained stadiums; policing and stewarding has improved.

A return to terracing is what the game is crying out for.

★ **MICHAEL Oliver showed some real guts to give that late penalty for Real Madrid last week.**

**Juventus keeper Buffon looks to have ended an illustrious career on a similarly sour note to that of Real coach Zinedine Zidane with his crazy reaction – which rightly earned him a red card – and equally mad post-match comments. According to bonkers Buffon, Oliver has "a bag of rubbish for a heart" and should be "sat in the stands eating crisps" for "ruining a dream".**

**Really? A pen is a pen, regardless of the circumstances, you can't not give it for romantic reasons because it spoils one of the best Champions League comebacks of all time. Would Buffon have expected it to be given at the other end? Of course he would.**

★ It was no surprise Mick McCarthy couldn't carry on under the bizarre arrangement at Ipswich where, as he put it perfectly: he was caretaker manager of his own job.

I'm not sure why it was done and if it was contractual, but I do know that his work at Portman Road went largely unappreciated. He's not everyone's cup of tea, but someone will get a bloody good manager by the time the next season starts.

BONKERS: Buffon

## Newcastle can give Gunners grief

**ARSENAL are out to 5/2 for the Europa League in Lyon next month after they were paired with 6/5 favourites Atletico Madrid in the semi-final on Thursday.**

The first leg will be at the Emirates on Thursday week and the Gunners are 29/20 to take a lead back to the Spanish capital next month with Atleti 15/8 and the draw at 23/10.

Arsenal travel to St James's Park this afternoon and they have won their last ten Premier League games against Newcastle although the Gunners have yet to pick up a point away from the Emirates so far in in 2018.

The Magpies have won their last three PL games and I feel they will take at least a point against an Arsenal side who have not played an away PL game since losing 2-1 at Brighton at the beginning of March.

United are 23/10 to keep the points with Arsenal drifting out to 5/4 and the draw at 13/5 with BetVictor. Arsenal were odds on earlier in the week but at the current odds, the recommendation is the Magpies Draw No Bet at 13/10.

Manchester United are looking to win a sixth successive Premier League win for the first time since January 2017 and they cannot be opposed against a West Brom side who are without a win in their last 15 PL games on the road.

United have kept a league-high 16 clean sheets so far this season and I think they will gain another comfortable home win in the late kick off.

Man United to win to nil is just 3/4 at BetVictor and that is the recommendation.

Romelu Lukaku is 14/5 to score the opening goal and I think United will win and win well – Old Trafford will be buzzing after their win at the Etihad last weekend and United are 8/5 -2 on the handicap. That might also be a bit too big.

Stoke could be as many as seven points from survival by the time they take the field at the London Stadium tomorrow and the Potters have lost their seven visits to London – conceding 26 goals on the way.

West Ham are Even money favourites to win back-to-back home league games for the first time since December 2016 which seems almost inconceivable.

Stoke have only scored in six of their 12 PL games so far in 2018 – fewer than any other side – but you feel they must get something from the game if they are to maintain their PL status this term.

Liverpool fans will have been pleased with the Champions League draw that kept them away from Bayern Munich and Real Madrid. They face a re-run of the 1984 European Cup final that went to a dramatic shootout — with Bruce Grobbelaar's wobbly legs in goal and all.

BetVictor make Liverpool 11/20 to win the first leg at Anfield and we make the Reds 2/1 second favourites to lift the trophy in Kiev next month.

Real Madrid head the market at 15/8, while it's 9/4 Bayern Munich with Roma looking a big price in a four-horse race at 9/1.

★At Ffos Las this afternoon Clondaw Rigger (4.50) must go close if jumping as well as he did at Uttoxeter last time although that was only eight days ago.

The horse who beat him (Lunar Flow) has an excellent record at the Staffordshire track and the selection can run off the same mark this afternoon.

HAPPY CLARETS: Wood and Barnes

# Five in a row as Wood fires Clarets home

| Burnley | 2 | Leicester City | 1 |
|---|---|---|---|

BURNLEY made it five top-flight wins on the spin for the first time in 50 years thanks to an early double.

Chris Wood got the ball rolling against his former club after just six minutes.

Kevin Long quickly doubled the lead as Burnley rolled the Foxes over. The visitors improved after the break with Jamie Vardy getting one back.

But the home side held on to move just two points behind Arsenal and looking good for a Europa League spot.

Burnley came flying out of the blocks and were in the lead with just six minutes on the clock.

It was the first time the Clarets had gone close to the Leicester goal. Ashley Barnes was the key figure with good work to release Wood in front of goal.

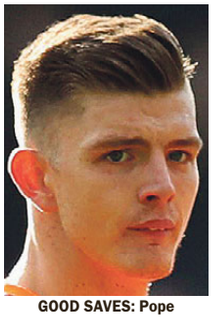
### Doubled

Kasper Schmeichel kept his first effort out but the former Foxes striker took great pleasure in smashing home the rebound.

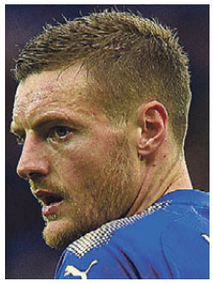
The home fans were barely back in their seats when the lead was doubled.

Leicester were daydreaming instead of defending a corner.

Maybe they were still upset because it looked like a goal-kick should have been awarded.



GOOD SAVES: Pope



LATE GOAL: Vardy

Johann Berg Gudmundsson swung over a good ball that Long jumped highest to head home.

Burnley continued to call the shots with Aaron Lennon and Matthew Lowton combining well to stretch the Leicester defence.

The visitors should have got one back just after the half-hour.

Demarai Gray put a sitter on a plate for Riyad Mahrez. He was unmarked in front of goal but somehow Nick Pope managed to keep his effort out.

Then Vardy fluffed a header from close range, guiding the ball straight at the keeper.

Pope starred again o the hour mark, stopping a Vardy shot that was going in the corner.

But he couldn't stop the England striker scoring with 19 minutes left. Iheanacho found him inside the box and Vardy did the rest.

# PREMIER LEAGUE: C PALACE 3 BRIGHTON 2

EMOTIONAL: It's all a bit much for Zaha at Selhurst Park

# EAGLES OFF TO A REAL FLYER!

**PALACE move six points clear of the drop after a crazy first half at Selhurst Park.**

By ANDY MILLOM

The home side walked off 3-2 up at the break thanks to a Wilfried Zaha double and a James Tomkins strike.

Former Palace striker Glenn Murray got one back for the visitors along with Jose Izquierdo.

The veteran missed a sitter seconds from time as Palace held on.

The goalfest started after just five minutes thanks to some Brighton defending that would have made schoolboys blush.

The Albion defenders stood and admired a Palace short corner before Luka Milvojevic strolled into the box and fired in a shot that Mat Ryan saved well.

But there was Zaha for a tap-in that sent Selhurst Park crazy.

The roof almost came off when the home side doubled their lead. Another corner was Brighton's downfall and Tomkins eventually poked the ball through Ryan's legs after it pinballed around the penalty area.

Albion needed the next goal and they got it. This time Palace failed to deal with a set-piece with Lewis Dunk given too much space to tee up a chance for Murray to turn in off the crossbar.

He did the "no celebrating against his former club" chestnut for good measure.

The visitors had a shout for a penalty turned down soon after. Izquierdo blasted in a shot that hit a Palace hand inside the area.

Brighton's lifeline didn't last long as Palace knocked in another with just 24 minutes on the clock.

It was yet another cross that caused panic in the backline.

Milvojevic knocked a high one from deep in midfield and Zaha had far too much space as he headed it home at the back post. Any idea that Palace might park the bus and protect their lead were smashed 11 minutes before the break.

Jurgen Locadia got hold of the ball in a dangerous position and knocked the ball past Joel Ward.

Izquierdo beat the defender in a foot race before calmly netting past Wayne Hennessey.

There could have been another right on half-time. Milvojevic was the man causing trouble again with a bold run through midfield.

He got to the edge of the Albion box before bringing a good save from Ryan.

Roy Hodgson must have told his players to keep it tight because the second-half was more cagey.

The first big chance came for Brighton just after the hour when Beram Kayal just failed to find Murray with a pinpoint cross.

And it took two great saves from Hennessey to stop Brighton escaping with a point.

His first one saw him flying across the box to punch a cross before getting down quicky to deny Dale Stephens.

Then Murray missed an open goal from four yards out in injury time. He just had to tap in a cross but he was all over the place.

**He got on the end of a long ball to supply the chance that Ince happily tucked away.**

**That was Town's first shot on target but the home fans didn't care.**

**It gave the Terriers their first win in six games and steers them seven points north of the relegation zone.**

**The result spells bad news for the Hornets who had looked safe but are now just two points clear of David Wagner's men.**

**The visitors didn't go on the front foot much themselves in a game where chances were at a premium.**

**Wagner refuses to accept that his team has enough points to stay up.**

**He said: "I have no idea if we're safe, nobody knows.**

### Emotional

**"We need further points, the job isn't done, but with this performance, the players are very focused and sharp, we have good momentum and that is exactly what we need.**

**"It was a fantastic finish from Tom and a great afternoon for us.**

**"Very emotional, the game was weary, not a lot of chances for both teams, both defended well and were very organised.**

**"I am pleased with our defensive shape.**

**"Then we have this magic moment and all the emotions come out and I am so pleased for the players and the fans who pushed us and I am glad we gave them something to celebrate."**

**Ince was delighted to come off the bench and be the hero.**

**He said: "It was one of those games I knew I wouldn't find space and run.**

**"Similar to against Stoke I was able to get into the box, maybe even better as I was slightly behind play. You have to gamble, you keep doing that and have a positive attitude."**

**SWANSEA ground out a point on an afternoon to forget at the Liberty Stadium.**

**Jordan Ayew equalised with 19 minutes left to cancel out a Kyle Naughton own goal that gave the Toffees a half-time lead.**

**Seamus Coleman went close to nicking all three points at the death when he hit the crossbar.**

**Swansea will be the happiest of the teams to take a point that leaves them five ahead of the relegation zone.**

**The main noise at the final whistle was the Everton fans calling for manager Sam Allardyce's head. It was another pretty negative performance from the Toffees but they stay in the top 10.**

**They also sang pretty rude songs about their own manager throughout.**

**Big Sam isn't too bothered about that though.**

**He said: "We've come here and got the lead and dug out a point. It was a battling point, no doubt that. There are teams fighting at the bottom and Swansea showed a lot spirit.**

**"We held our own and it could have been a different story. I'm sure Swansea are saying they should have won it and perhaps they should but our keeper takes some beating.**

**"Wayne Rooney only had one shot today but his contribution in possession was better than our other midfield players today and I was pleased with him."**

**Swans boss Carlos Carvalhal is upsset that his team couldn't grind out a victory.**

**He said: "We played enough to win and we did enough to. We tried to help the players to win and made substitutions to do that.**

**"We were the better team on the pitch against an organised team who were very combative.**

**"We deserved more than what we achieved, we had a great game against Everton.**

**"This is a competition about points and it's important with three home games and two away, we believe we'll get the points to stay up.**

**"Like all teams we were lucky and the first goal in games like this is is important."**

# Albion woes a puzzler for United boss

## Manchester United v West Bromwich

Sunday, 4pm kick-off, live on Sky Sports Premier League

**JOSE Mourinho is shocked that West Brom are bottom of the league. The Manchester United boss thinks there's enough quality in the Baggies squad to be well away from the drop zone.**

**The Reds can put the final nail in Albion's coffin with three points at Old Trafford today. But the Portugeezer is not taking the strugglers lightly.**

**He said: "I am surprised to see them in the relegation zone.**

**"The quality, the experience of many of the players, the squad and the stability of the past years, it is a surprise for me that they find themselves in this position.**

**"I think it is a big challenge because they know that in football anything is possible until mathematically impossible. They know that, everybody knows.**

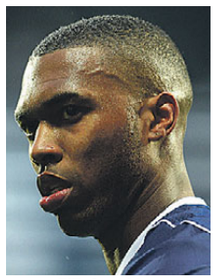
### Bug

**"They still smell a chance but every match that is played if they don't get points then they are closer to relegation, but I think they still believe."**

**United have been boosted by the return to fitness of Romelu Lukaku who had a stomach bug earlier this week.**

**There's good news at the back where Phil Jones and Daley Blind are both available for selection.**

**Jonny Evans won't be able to run out at Old Trafford again because the former United defender has a knee problem.**



FIT: Sturridge

**There could be a sighting of Daniel Sturridge though after he trained this week.**

**Interim West Brom manager Darren Moore admits the atmosphere at the club is making it difficult to keep the players focused.**

**He said: "We can't stop the talk around the club — there are still games to be played.**

**"It is all about the next fixture. We'll keep fighting, we'll keep planning and preparing as best as we possibly can and remain focused."**

**Moore believes Sturridge will be desperate to make his mark at Old Trafford — and can yet be in England's World Cup squad.**

**He said: "If Daniel does find his full fitness in these next coming weeks then I wouldn't rule him out because he is a quality player, a goalscorer and you can never have too many of them."**

# BLUES IN GIROUD HEALTH

# Olivier sinks Saints with late double off the bench

**OLIVIER Giroud kept Chelsea top-four hopes alive with two late goals.**

By PAUL THOMAS

The Blues were heading to defeat against Southampton as the Saints raced into a 2-0 lead at St Mary's.

Dusan Tadic put the home side in front on 21 minutes and that was enough to give Mark Hughes' men a half-time lead.

Things went from bad to worse for the visitors as Jan Bednarek doubled the lead just after the hour mark.

Victory would have fired Southampton out of the bottom three and turn up the heat on Chelsea boss Antonio Conte. But that was when Giroud chose to make his first major impact in a blue shirt.

Alvaro Morata was dragged off another insipid display and the Frenchman showed him how it's done.

He headed home his first strike for the club to spark a run of three goals in eight minutes.

Eden Hazard got in on the act soon afterwards.

The Belgian finished well with his left foot to bring the scores level.

And if Sparky hoped his old club would let him have a point, he was sadly mistaken. Giroud was the man who did the damage this time, firing home to secure the three points.

Conte would surely have been sent packing by boss Roman Abramovich had Chelsea lost this match.

It would have all but ended their already dodgy hopes of qualifying for the Champions League next season.

### Tempo

And the Italian was fuming with the poor display of his players before the break.

He accused them of lacking heart and spirit, something Southampton had in spades in the opening hour.

Conte said: "In the first half we didn't play well but not just that, they put more into the tempo than us. I was very disappointed but we must be pleased by the second half.

"The most important thing is to show in every game the right passion and to fight until the end. We need to finish this season in the best possible way.

"I don't know why the desire wasn't there but the coach is the first person to have the fault.

"It doesn't matter that we won the game 3-2, it was important to see the right reaction and fight in the eyes of my players.

"A good win but for me it

# SOUTHAMPTON 2 CHELSEA 3

GIZZA KISS: Gary Cahill gets a little carried away after Giroud's winner

was important to see the right spirit, the right passion and enthusiasm in the second half.

"Our first half wasn't good in a lot of aspects, not only tactically, but didn't show great spirit desire or the will to fight for a good result.

## Fault

"Our first half was very negative. In the second half I saw a great reaction, the right will to fight to win despite the difficultly.

"We went 2-0 down but had the right spirit to come back and win.

"I am disappointed in the first half, I am the first to take the fault for that, but in the second half my players deserved credit."

Saints boss Hughes was unhappy about a bad tackle by Marcos Alonso on Shane Long in the first half.

He believes Chelsea should have been reduced to 10 men for most of the game.

He said: "That tackle could've had significant consequences for Shane and Chelsea going down to 10 men at that point with us in the ascendancy would've changed the game.

"Mike Dean was five yards away, his assistant was seven yards away and the fourth official was six yards away — how can they not see it when everyone else did?"

# Just wait until Pierre gets fit blasts Wenger

## Newcastle United v Arsenal

Sunday, 1.30pm kick-off, live on Sky Sports Premier League

**ARSENE Wenger believes Pierre-Emerick Aubameyang is only just warming up.**

**The Gabon striker has fired in six goals in his first seven Premier League games since his £56million transfer from Borussia Dortmund.**

**That kind of return would be more than enough for most players but the Arsenal boss has warned today's opponents Newcastle to watch out.**

**He said: "He's worked hard.**

**"I feel he was not completely ready physically when he joined us but he worked very hard in training.**

**"He worked a lot technically as well, and has improved his touch. He's quick now, sharp, intelligent and I think he enjoys being part of the group.**

## Knocks

**"You feel that when he plays and that's why he's very interesting.**

**We need some fresh players over the weekend, so he is always sure to play!"**

**Arsenal have some injury problems with Jack Wilshere and Aaron Ramsey both carrying knocks.**

**The Gunners have Mohamed Elneny and Granit Xhaka back in contention.**

**Newcastle are probably safe already with 38 points in the bag — and boss Rafa Benitez would like to get past the magic 40-point mark against Arsenal.**

IMPRESSED: Wenger

**That would make the Toon safe with five games to go after their run of last-day nightmares in recent seasons.**

**Benitez said: "We have to approach the game with the idea of getting 40 points.**

**"It's not 'we are doing well and we can beat anyone'. Yes, we can beat anyone IF we work as a team and IF we are together.**

**"The fans can show their passion and intensity for us and we'll need to show the commitment on the pitch.**

**"It's been there on the pitch and that commitment has also been in the stands.**

**"For us, this game represents a real challenge for us and an opportunity to show the confidence levels we have at the moment.**

**"At the same we are playing against one of the top sides in England."**
